The Honorable Burton R. Lifland,

I am writing to object to the Trustee's determination that I am not a customer of BLMIS under SIPC.

My money was invested with Stanley Chase, one of Madoff's closest and biggest conduits into the Madoff accounts.

I am 79 years old and have lost my savings, my retirement money and the money from the interest that I lived on from month to month.

I write in the hope that the court will deny the Trustee's definition of "customer" and include me, and many others, that badly need and deserve help from the SIPC.

Respectfully,
